

The background is a light gray grid with various chemistry-related sketches in a darker gray. These include molecular structures like water (H2O), methane (CH4), and ammonia (NH3), as well as laboratory glassware like flasks and beakers. Some sketches show chemical reactions or processes like distillation. The text 'E P S I L O N' is written vertically in the center in a large, bold, black, sans-serif font. The date 'MARCH 23<sup>RD</sup> 2019' is at the bottom in a smaller, bold, black, sans-serif font.
