

The background is a light gray grid with various chemistry-related sketches in white. These include molecular structures like benzene rings, water molecules (H2O), and ammonia (NH3), as well as laboratory equipment like Erlenmeyer flasks, beakers, and test tubes. Some sketches show chemical reactions, such as a flame test or a reaction in a flask. The text 'E P S I L L O N' is written vertically in the center in a bold, black, sans-serif font.
